

# 繪圖考試範本

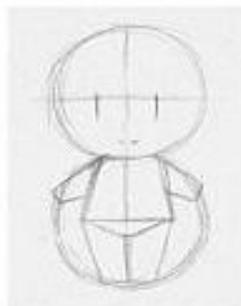

請依照右圖順序與比例  
畫出右下角完整2頭身的漫畫造型

1. Draw 2 circles. Define the center of the head, making a cross.

2. Start by drawing the torso.

3. Draw the arms and legs. Add simple face features.

4. Define the eye shape, then the face contour.

5. Add the eye balls. Avoid drawing them too close to each other.

6. Next, move to details of the arms and legs.

7. Finally, add the hair and clothes.
